

A photograph of Dr. Glenn A. Burkland, a middle-aged man with short, light-colored hair and glasses, wearing a dark suit, light blue shirt, and patterned tie. He is smiling and looking towards the camera. He is seated at a desk, and his hands are visible holding a set of red dental models (upper and lower arches) on a light-colored surface. The background is a blurred office setting with a computer monitor and other equipment.

Dr. Glenn A. Burkland D.M.D.

**Voted #1 Orthodontist
On The Mainline**

Areas of expertise: orthodontic treatment for children and adults

Practice: 440 E. Marshall St., Suite 301, West Chester;
(610) 918-3200, drburkland.com

Years in practice: 25

Education: DMD, University of Pennsylvania (1972);
Certificate of Orthodontics, Harvard University

Latest advancements in his specialty: Clear orthodontic appliances; more adult treatment and the treatment of temporomandibular joint (TMJ) difficulties in patients. **Biggest patient complaint:** Crooked teeth and problems with a healthy bite. **Best advice he gives patients:** To have regular visits with the family dentist and strive for a healthy bite. We also utilize hygienists to educate patients in an effort to help avoid marks on the teeth following orthodontic therapy. **Biggest**

misconception about his specialty: That it doesn't involve significant discomfort and that treatment will last a lifetime.

A great orthodontist should: offer results that are aesthetically outstanding and provide for a lifetime of optimal dental health.
